Find 3 careers with an A beside them (if you do not have 3 careers with an A beside them then choose careers with B beside them)

Using Open office gather the following information for your port folio.

- job description
- the NOC Code
- working conditions
- earnings
- education required
- one other interesting piece of info

You may wish to organize your information
in the

form	of
a	table

For each career, **read an interview** with someone in the field
What **advice** does each person give? {Summarized, in your own words}
